REGULAR MEETING
Thursday, April 7, 1960

The regular meeting of the Milwaukee Radio Amateurs' Club convened in the Lutheran Center at 8:25 P.M. with President Ken Eggert, W9MOT, presiding.

Minutes of the previous meeting were read and approved. In addition the Secretary read two ARRL Official Broadcast Station bulletins.

President Ken Eggert sadly announced the death of MRAC Old Timer, George C. Bowen, W9DWI. Emil Felber, W9RH, gave a resume of George's very active participation in Club activities through the years. At various times he has served as President, Vice President, Treasurer and Director. The membership present observed three minutes silence as a tribute to W9DWI.

President Ken Eggert reminded the membership again of the new "Annual Contest Cup Award." Due to the poor response the final date for submitting an entry for this award has been deferred to April 21, 1960.

Minutes of the February Board meeting were read.

Jim Buth, K9CJK, Chairman of the DX Committee, presided for the main program, the annual DX program, presented by the members of the DX Committee. Participating in the program and exhibits were K9CJK, W9DYG, W9ONY, W9FDX, W9KQD, W9OMZ, W9GIL, W9RKP, W9LVR, K9ENB, W9LJU and W9RH.

The meeting adjourned at 10:10 P.M. with 26 members and 4 guests present. Refreshments were served after the meeting.

Regular Meeting
Thursday April 14, 1960

The regular meeting of the Milwaukee Radio Amateurs' Club convened in the Lutheran Center at 8:30 P.M. with President Ken Eggert W9MOT presiding. Minutes of the previous meeting were read and approved with corrections.

The president again reminded the members of the Annual Contest Cup Award, and asked that more interest be shown in this event.

Future meeting notices were read by Ken, with special attention given to program revisions.

The membership was informed that the Wausau Hamfest sponsored by the Wisconsin Valley Radio Assoc. Inc. will be held May 21, 1960 at St. Therese's School, Schofield, Wis. Cost of tickets to be \$3.75 per plate.

Fred Borchardt W9DYG presented a report from Dick Oberholtzer W9ZPY on a building in which future club meetings could be held. Additional information regarding this building was submitted by Travis Baird W9VQD.

Ken announced a civil defense emergency test will be held next month May 3-4-5.

Jack Doyle W9GP1 read a letter from club member Frank Maiorana W9TPT who now resides in Mesa Ariz. The letter told of Franks most recent activities and business ventures.

Jack also reported on some of the highlights of the IRE show held in New York, and discussed current activities of ARRL in Hartford.

The meeting was turned over to Ink Bowen W9QYU who presided over the evenings program. The purpose of the program was to find out if possible, why club members did not attend regular club meetings.

Members in attendance took part in a discussion regarding this problem, and stated their reasons for lack of attendance by club members. These possible causes for lack of attendance were recorded on paper, and will be used in the near future to poll the entire membership to get a cross section of opinions and possible solutions.

The meeting adjourned at 10:35 P.M.

Regular Meeting
Thursday April 28, 1960

The regular meeting of the Milwaukee Radio Amateur's Club convened in the Lutheran Center at 8:15 P.M. with 2nd Vice President Russ Burss W9RKP presiding in the absence of President Ken Eggert W9MOT.

Minutes of the previous meeting were read and approved.

A financial report was read by Treasurer Don Gross W9KQD.

A notice of the Wausau Hamfest to be held May 21, 1960 was read by W9RKP. Tickets for this event may be purchased from Ken Eggert W9MOT.

W9RKP read a list programs scheduled for the balance of the year, and also reminded the membership of the annual ARRL Field Day Contest to be held June 25-26.

A report on current DX activities and band conditions was given by K9CJK and W9RKP.

An announcement of the Dayton Hamvention to be held May 7, 1960 at Dayton, Ohio, and other correspondence was read by W9RKP.

The meeting was turned over to Fred Borchardt W9DYG who with the help of Dennis Wroblewski K9DTK presented the evenings program, Traffic Nite.

Fred and Dennis explained the National Traffic System, why it was organized and its operation.

Different types of traffic, the proper handling of messages, and correct message forms were also explained. With the use of diagrams Fred showed how messages were passed from one net to another. Tape recordings of actual nets in operation were also played. In attendance were traffic men Bud Woida W9KQB, and Ralph Klien W9DKH of Manitowoc, Ralph Potter W9VHP and his XYL Sarra W9VIK of Fond du Lac.

To conclude the program Wisconsin's SCM Bud Boida W9KQB commended club members Fred Borchardt W9DYG for his work in the traffic, also Russ Burss W9RKP, and Dick Regent K9GDF for their work as official observers.

The meeting adjourned at 10:25 P.M.

Milwaukee Radio Amateurs Club, Inc.
Regular Meeting
May 26, 1960

The regular meeting of the Milwaukee Radio Amateurs Club convened in the Lutheran Center at 8:30 P.M. with President Ken Eggert, W9MOT, presiding.

Minutes of the previous meeting were read and approved.

The president reported on the Wausau Hamfest held May 21, 1960

Jack Doyle, W9GPI, reported on the Wisconsin Council of Radio Clubs, describing its operation and future plans.

Treasurer Don Gross, W9KQD, presented his annual financial report.

Jack Doyle, W9GPI, presented the newly elected officers who were later installed.

Newly elected president Ink Bowen, W9QYW, presented Doug Pavak, W9FDX, who announced winners of the Wisconsin State QSO party and presented the Novice Cup to Gary Steele, KN9RZB.

The speaker for the evening was Charles Dawson, W9CUW, who gave a lecture and demonstration of teletype printers. It was demonstrated that teletype reception can be solid through QRM by superimposing voice and code interference on the tape used to drive the printer. Herbert Zmarra, W9MQA, reported that teletype machines could be obtained from the Bell System if they are used for purposes that are non-competitive to the Bell System.

The meeting adjourned at 10:15 P.M.

Respectfully submitted,

Report of 1st Vice Pres. for 1959-1960 Club year.

I. Programs - Through the cooperation of Central Division Director Jack Doyle W9GPI and the members of the Board of Directors, the club was ~~able to~~ privileged to have as guests, ~~speakers from~~ the following ^{outside} speakers:

A. Bud Drobish, W9QVA - HalliCrafters

B. John Magnusson, W9AGD - E.F. Johnson Co.

C. Jim Taylor K8SGY - Collins Radio Co.

~~and~~ a movie entitled "The Teacher Wore White" thru the courtesy of General Electric and Si Wisocki W9DOS, and a slide/tape recorded program "The Story of DX" courtesy of ARRL and Charlie Porch K9ENB.

Members who presented programs included W9FOX "Slide Night", W9RKP "Frequency Measuring", W9ULA "Mobile Equipment", Amy Blomgren "A tour of the Far East", "DX Wite" by the DX and Activities Committee, ~~and~~ Traffic Wite ~~by Fred B~~ W9DYG and K9DTK, and "The Invisible Enemy" by W9ZPU. If I have failed to acknowledge anyone, I apologize, for keeping such poor records. My deepest appreciation to all of those who helped in any way.

Code Class

II Early in the 1959-1960 club season, Central Div. Director W9GPI urged the Board of Directors

to start an experimental type class in the fundamentals of Amateur Radio. W9QYW and K9ENB volunteered to start the program in October, for 1 hour prior to each club meeting. After some fine publicity by Fred Zolin W9DNV, Jack Doyle W9GPI and others, the class began on Oct 7, 1959 with 24 interested persons (and potential new members) attending. While initial enthusiasm was high, the attendance dropped off until on Feb 4, there were about ten "regulars". Unfortunately, W9QYW and K9ENB both were unable to continue with the teaching of this course because of a conflict with a business course which both were taking. It is regretted that the course could not be continued to its intended conclusion.

III Observations -

I. The Code and Theory Class is to be recommended to the new board of directors as being a worthwhile club project. Hopefully, they will see fit to continue it next year.

II. Since attendance is generally directly proportional to the program material, and program material is the responsibility of the 1st Vice Pres., it was felt by the program chairman that attendance was, if anything, below average.

Attendance at programs featuring outside speakers averaged about 30. For local presentations by club members attendance averaged about 30-35. It is a bit discouraging to your program director to have provided these programs and then have so many empty seats. It appears that a large portion of the membership is not directly interested in what the club is doing. An examination of the attendance sheets shows the same persons coming to every meeting. It is hoped that the new club officers will be able to find a solution to this dilemma.

To get things started next year, we have promises for programs from Hi-Gain antenna Products Co, and the RME Division of Electric Voice. To the new Program Chairman - Good Luck.
